Maureen, thanks for the readout. I take it you were in the meeting yourself. [(b)(5)]

I'm

sure Necia will be able to get you that fiscal data in short order.
Regards, Rob

(See attached file: TP - Dabhol rev2 nsc.doc)

Folks, please take a look at the attached draft talking points. I believe that we have addressed everybody's concerns. Please also ensure that all

relevant people within your agency get a copy of this – not sure whether addressees above capture everybody. If there are major issues remaining, call me at 456-9247 or email, by 3 pm Wednesday (7/18). Please, only one representation per agency, so coordinate internally first.

Let's consider this closed by COB tomorrow. I'll coordinate with State, who'll send the demarche cable.

Thanks, everybody. Laurent

U This is a readout of
the meeting at NSC this morning. There is also an ACTION request. USG agencies
are requested to get back to NSC by cob tomorrow with comments on OPIC's
suggested talking points for a demarche to the GOI by the Charge in Delhi. I
talked to the State reps after the meeting (from South Asia bureau, Investment
office and Larson's office) and they seem to be basically in the same place as I
was on what an appropriate message might be. My proposed plan is that Geetha
will take a first crack at comments on the talking points and circulate them
within Treasury as early as possible this afternoon. I am requesting that
everyone provide comments by cob today, so that we can circulate our comments to
State and try to come up with joint suggested points to submit to NSC by cob
tomorrow. Please let me know if you have any concerns about this plan.

Readout of meeting:
Attendees: NSC, State (EB front office and investment office, South Asia
Bureau), Treasury (Grewe, Rao, Sampliner), Commerce, OPIC (President Peter
Watson, GC Ron Jonkers and several others)
